Newsletter

The Royal Scottish Highland Games Association publishes a newsletter by email for members and registered athletes who have provided their email address.

The newsletter is issued periodically, usually in the spring and the autumn, though it isn't to a fixed schedule.

News is also updated on the RSHGA's 'News' section of the website, and the RSHGA's Facebook page.

If you have anything newsworthy you think should be included in the next newsletter please email the RSHGA Secretary
